JOINT NOTICE REGARDING A RULE 16 SCHEDULING CONFERENCE

The parties, by and through their respective counsel, filed a Joint Status Report with the Court, which includes recommendations and requests regarding the formulation of a discovery plan. Specifically, the parties request that the Court establish discovery deadlines following a ruling on Defendants' pending motions to dismiss Plaintiffs' complaint. If the Court intends to deny this request and set discovery deadlines at this time, the parties request a Rule 16 Scheduling Conference to discuss the discovery schedule.
